

MEDIA RELEASE

Moutier, February 25, 2021, 6:00 p.m.

Change to the General Management at Tornos

Luc Widmer, Chief Financial Officer and member of the Tornos' Group Management team, has decided to leave the Group at the end of August 2021 to take up a new professional challenge.

The Board of Directors and the Executive Committee would like to thank Luc Widmer for his great commitment to the Tornos Group during the past eight years in various management functions. The search for a suitable successor will start immediately.

Company profile

Tornos Group is one of the global leaders for the development, production and distribution of Swiss-type automatic lathes and multispindle machines. The company's history dates back to 1880 and marked the beginning of Swiss-type lathe technology. The company primarily manufactures CNC sliding headstock Swiss-type automatic lathes, multispindle machines, and precision machining centers for complex parts. Tornos is headquartered in Switzerland. A worldwide sales and service network offers unique solutions to customers in the target automotive, medical and dental technology, micromechanics, and electronics industries.

In addition to historical information, this media release contains statements about the future which include risks and uncertainties.
